Technology and Engineering

Unite! 4Future

Grenoble INP graduate schools of engineering and management, University Grenoble Alpes France

Aalto University Finland

KTH – Royal Institute of Technology Sweden

unite!

Technische Universität Darmstadt Germany

POLITECNICO DI TORINO

Politecnico di Torino Italy

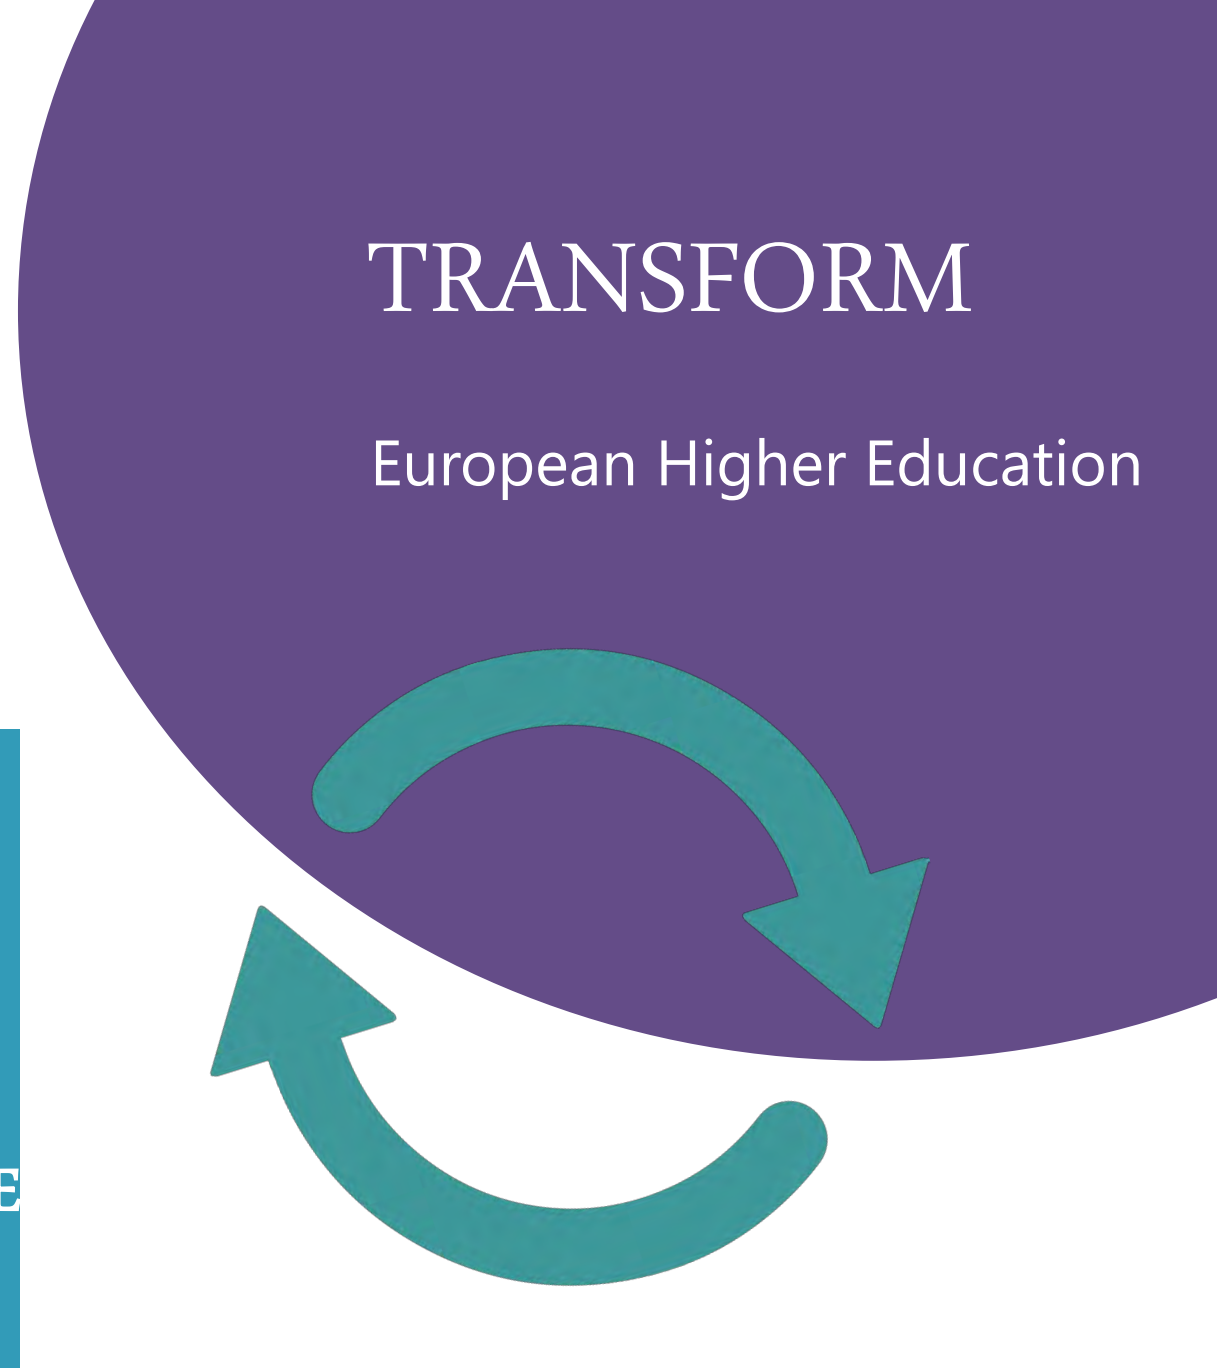

UNIVERSITAT POLITÈCNICA DE CATALUNYA BARCELONATECH

Universitat Politècnica de Catalunya – BarcelonaTech Spain

UNIVERSIDADE DE LISBOA

Universidade de Lisboa Portugal

PIONEER

New concepts of education and research in science, technology and engineering

DEVELOP

A European University that share resources and services and by remove structural barriers

For active participation of students, faculty and staff at all levels

EMPOWER

EDUCATE

A new generation of European students who actively contribute to the advancement of knowledge

The role of a (virtual and physical) European inter-university campus that connects the innovation ecosystems of its member universities

EXEMP_LIFY

**As a student, what
concrete
opportunities lie
ahead for me in
Unite! ?**

Short Term Programs

INSPIRED and ULisses
Interdisciplinary study projects
Entrepreneurship trainings

Summer Schools

Transnational
internships

Virtual
credit exchange

Joint M.A. 
and PhD Programmes

Student Exchange
Including blended formats

In addition to all this, we also
want your
collaboration!

**A UNIQUE
OPPORTUNITY!**

MAKES YOUR
IDEAS A REALITY

WITH OTHER
STUDENTS

FROM AROUND
EUROPE

Unite! 4Future Programme

Experience a unique opportunity: give floor to your ideas!

Have you ever thought of something you could change on your university?

Do you have an original and innovative idea?

We want your collaboration!

Brainstorming

Create a new area on the library with books translated to Braille

Grow an organic vegetable garden to be used on the canteen

Promote and adapt a recycling system on campus

Develop an app to automatically translate the signs on campus

Talk with your colleagues

from other Unite!

Universities

Set up a team to build a **project** and
make a **video** out of it!

+

+

Set up a **team**
with colleagues
from **other**
universities

Discuss your
idea(s) and
and create a
project

Make a
video
and **apply!**

**How to create a
project proposal from
our idea(s)?**

Topics your project should tackle

Diversity and
Inclusion

Academic experience,
mobility and
languages

Environment and
sustainability

Digitalization

Structure your idea

**Clearly defined
your objectives**

idea well presented
& clear final
objective(s)

**Consistency
objective(s) &
activities**

activities results'
oriented

**Feasible
activities**

project can be
applied

Structure your idea

Innovation

novelty of your idea

Added value

contributions to the topic(s)

Long-term impact & multiplier capacity

project impact & replication value

Don't forget...

Students must **be enrolled** in at least one of the Unite! partner universities

Your team must include students from at least **3 Unite! partner universities**

Your ideas must address **at least one of the key topics**

Your proposals should be designed **to contribute to the life and activities of your universities**

Your team idea will be put forward in a **video format**, in English (10 min. max.)

Do not forget to have it **ready and submitted** by the deadline

If your project is
selected

You may see your idea
implemented!

1 team winner
per call (max. 8 students)

WHAT DOES THE AWARD CONSIST OF?

One "Unite! week" at ULisboa

All travel expenses included (transport, accommodation, food and activities)

Support offered by one technical advisor>

WHAT ARE THE GOALS?

Design the project implementation plan

Become part of the Unite! new generation of European students

Share experiences and multicultural values

How do we apply?

Two-step simple process

First Step: Application Form

Second Step: 10 minutes (max) video

First Step: Application Form

- ▶ **Student Identification**
- ▶ **Title** of the project
- ▶ **Call topic(s)** addressed by the project
- ▶ **Brief description** of the project (max. 2000 characters)
- ▶ **Resources** needed for project implementation (e.g., logistic and human resources)

Second Step: 10 minutes video

- ▶ Present the team
- ▶ Explain your project idea
- ▶ How will your idea impact the students' life on campus?
- ▶ Show added value of your project to your institutions and to all target groups
- ▶ Explain how innovative and creative your idea is
- ▶ Don't forget to focus on your call topic(s)
- ▶ Convince us on why should your project be the winner?

Registration

The registration will be carried through the [Unite! Metacampus](#).

**When and how it will
all going to happen?**

Programme
Dissemination

Launch of the
Call

Call
deadline

Communication
of results

Award
Ceremony

From May
2021

September
2021

October
2021

Nov-Dec 2021

During 4th Unite!
Dialogue
(Nov-Dec 2021)

**Where do I get more
information?**
